- 1 The number & content for stalls was discussed, it was agreed that we couldn't confirm any stalls until we have heard from the school what the classes are doing.
- 2 Sarah will produce a list of possible stalls, which we will then hopefully post on the web page to allow people to decide what they would like to run.
- 3 It is intended that Sarah & Sam will check the cupboard this Friday to determine what prizes we will need to purchase.
- 4 Sarah will speak to Tracey regarding contacts for the outside stalls & Display events. It was felt that any School Displays should be given priority over outside teams.
- 5 Sam agreed to take on the task of writing to local business/suppliers for Programme prizes and will in turn produce the Programme for sale on the day. Sam agreed to try & get the letters out by the end of next week. Furthermore, a Newsletter outlining details of the Fete & asking for help will be sent to the parents before next Friday.
- 6 Date of next meeting: Tuesday June 2<sup>nd</sup> during the PTA meeting
